THE KANSAS CITY SYMPHONY

# ROYAL GALA

*Let's have a Ball!*

Dear Friends of the Symphony

For one night only — September 10, 2022 — you're invited to relive Kansas City's heyday when the music was swinging along with the original Monarchs' baseball bats. Join us as we turn the Kauffman Center for the Performing Arts into a vintage-style supper club with fantastic food, classic cocktails, entertainment and, of course, music.

Today, our town is still known for its music and baseball — thanks to our world-class Kansas City Symphony and two-time World Series winners, the Kansas City Royals.

Honorary chairs Marny and John Sherman, principal owners of the KC Royals, invite you to "have a ball" as we honor Kansas City's musical culture and salute Michael Stern's unprecedented years as music director.

The evening begins with an exhilarating concert by the Kansas City Symphony in Helzberg Hall, then transitions to a rousing supper club in Brandmeyer Grand Hall. Surrounded by friends, you'll enjoy dinner, drinks and dancing while being entertained throughout the night by musical guest extraordinaire, Lonnie McFadden.

Come celebrate why Kansas City is so special — then and now — while renewing your commitment to the Kansas City Symphony. As a 2022 Gala Benefactor, you'll be an MVP in supporting the Kansas City Symphony's continued vitality, community outreach and youth educational programs that enrich the lives of so many in our region. The sponsorship levels and benefits are enclosed. As a sponsor, you'll be given the "royal treatment" at an exclusive Benefactor Party that's guaranteed to be a home run!

With sincere appreciation,  
Marny and John Sherman, *Honorary Chairs*

Sue Ann Fagerberg and Ursula Terrasi, *Co-chairs*

*Presented by the Symphony League of Kansas City*
