## ABOUT THE HEARTLAND MEN'S CHORUS

### ABOUT THE HEARTLAND MEN'S CHORUS

---

The Heartland Men's Chorus was founded in 1986 when a small group of gay men dreamed of forming a choral group in Kansas City. The Chorus' debut concert had 30 singers and it quickly grew, providing a welcome musical outlet and a safe harbor for a community seeking solace and relief from prejudice and the devastating AIDS crisis. Over the years, the Chorus has performed in a host of area venues and is delighted to reach diverse audiences through extensive outreach efforts.

Heartland Men's Chorus is a member of the Gay and Lesbian Association of Choruses (GALA), the national service organization for LGBTQ+ choral groups. With 10 CDs and two DVDs to its credit, the Chorus is devoted to choral excellence and continues to grow in musical ability and reputation. Blessed with exceptional artistic leadership over the years, the Chorus has commissioned several new compositions and arrangements, advancing men's choral music.

Led by an 18-member Board of Directors consisting of both chorus members and community members, Heartland Men's Chorus continues to evolve, changing hearts and changing lives.
