

# NOVA

Introducing a bright new star  
on September 7, 2024  
Kansas City Symphony Ball

Dear (name),

*The Symphony League of Kansas City is delighted to announce "NOVA" — the 2024 Symphony Ball. This year's ball will launch the tenure of Matthias Pintscher in his premiere Kansas City public performance as Maestro of our Kansas City Symphony.*

We will celebrate this momentous occasion during a brilliant ball at the Kauffman Center for the Performing Arts in the starlight of September 7, 2024.

Our stellar evening begins with a cocktail reception, exclusive silent auction and sumptuous dinner — all in anticipation of Maestro Pintscher's debut performance from the Symphony's home stage of Helzberg Hall. Then, on to a dazzling afterparty with drinks, dessert and dancing. Prepare yourself for an evening among friends of the Symphony and sensational surprises.

*Join us* to revel in our magnificent Symphony's achievements, their launch into a new era in Kansas City's cultural sphere and their return from a triumphant tour of Europe's most prestigious concert halls.

We ask for your continued support in becoming a ball benefactor. By joining other generous benefactors, you will take your place as a champion of our Kansas City Symphony, their inspired music making, community outreach and educational efforts for our entire region.

Benefactor levels and benefits have been enclosed. As a benefactor, you will enjoy an extraordinary reception and mingle with luminaries of the Symphony at an exclusive Benefactor Party in the stunning home of Christy and Bill Gautreaux on Thursday, September 5, 2024.

We thank you for affirming your commitment to the Kansas City Symphony and hope you will meet us in the stars at NOVA.

With sincere appreciation,

Barbara Haviland  
Ball Chairman

Melanie Fenske  
Symphony League President

Linda and Paul DeBruce  
Ball Honorary Chairmen
