What is Forte?

Forte is a young professional's event like no other in Kansas City. This interactive and immersive experience is curated by our own Kansas City Symphony musicians to make classical music more accessible to younger generations. With a different theme every year, attendees will enjoy an evening of musical enchantment at the historic Shirley Bush Helzberg Symphony House. This stunning venue comes alive as each room transforms into a unique musical setting. Indulge in an immersive journey through a curated selection of tantalizing delicacies and cocktails provided by local restaurants, breweries, and distilleries.

How do I participate?

Thank you for asking, as there are multiple ways to support Forte. You can purchase individual tickets to experience the magic firsthand or join us as a Corporate or Individual Sponsor to help bring classical music to younger generations while promoting your brand or organization.

We also invite local food and beverage partners to showcase their creations to a new audience of music lovers and community members. Join us at Forte 2026 and experience the perfect blend of music and culinary delights in an unparalleled setting.

About the Kansas City Symphony:

Led by Music Director Matthias Pintscher, the Kansas City Symphony has grown through artistic vision, fiscal discipline, and a culture of excellence.

During its 42-week season (September-June), the Symphony performs over 170 programs, including Classical, Pops, Family, Film & Live Orchestra, and Educational Programs for children, and serves as the orchestra for the Kansas City Ballet and Lyric Opera.

The Symphony and its 80 full-time musicians have deep roots in serving its local community, traveling throughout the Kansas City metropolitan area with its mobile stage, the Mobile Music Box, and performing at its patriotic, family-friendly Celebration at the Station.

The vision of the Symphony's educational program is to enable people of all ages in the greater Kansas City area to learn, create, and become inspired through orchestral music.
