

2026 CELEBRATION AT THE STATION EVENT ITINERARY

The 22nd annual Kansas City Symphony Celebration at the Station presented by Bank of America will take place from 5 to 10 p.m. on Sunday, May 24 outside Union Station.

With an expected crowd of 30,000, Celebration at the Station is the largest FREE Memorial Day weekend event in the Midwest. The Kansas City Symphony presents this event as a gift to the community each year and as a tribute to the men and women who have made the ultimate sacrifice for our country.

At 8 p.m., guest conductor Stuart Chafetz leads the Kansas City Symphony in a concert featuring special guest Aubrey Logan and music by John Williams, Scott Joplin and George Gershwin. The concert also includes crowd favorites like *Armed Forces Salute* and the *1812 Overture* with live canons. The grand finale features a stunning fireworks display from the top of Union Station along with patriotic music performed by the Kansas City Symphony.
